Agenda

1. Treasurer’s report
 - a. No income over last couple of months – suggest creating a 2021 calendar for sale

2. Updates from other groups
 - a. MNBN
 - i. concern about how the public meetings were going to be held currently. Big concern was getting public input and whether or not it would be acted upon.
 - b. NBN6
 - i. Having virtual hearings. They have a documented procedure. May newsletter should have the virtual processes on that (links). They have started to re-write the zoning code. They have a rotating staff person in the actual offices. Hearings will be on YouTube. Started reading written comments. Working on capital improvements. Most are being pushed out. Service center stuff is all still available, they monitor voicemail twice a day. Notes should be on their website.
 - c. Other
 - i. South Clinton group is not meeting right now. PCIP is not meeting.

3. May Newsletter Topics
 - a. Pittsford Dairy - include information about how to sign up for it. Kids activity bags. Links for other meetings and city information. Telling people the parks are closed. Reiterating how people can get involved. Instacart. Curbside. Maybe we can mention the Cinema and their streaming? Maybe a special e-newsletter for local businesses mentioning who is open and in what way. Mention the hospital perhaps.

4. Calendar
 - a. Maybe we do a photo “contest” to select pictures and make an 18-month calendar to sell in order to raise money for the association. Highlight the neighborhood.

5. Rest of the Year: Roxanne and Sarah will not be involved with in-person events. Facebook Live for the general meeting. Taste of the Neighborhood - week long event going to local restaurants where businesses have specials for people to order out at. Suggest people call the Cinema and pay them to have Happy Birthday Messages.

6. Updates to Facebook Rules and Membership questions – start review.
